

## Academic Goals and Achievements

The Division of Academic Affairs is committed to the University's mission of preparing "highly skilled, competent and socially aware graduates to enable them to work and live productively in a dynamic, global society. The Student Achievement goals align to the following goals in the University's [2018 – 2022 Strategic Plan](#):

### *Strategic Initiative 2: Enhance Student Enrollment and Success*

- GOAL 2 Increase the overall retention rate.
- GOAL 3 Increase the number of offered student internships and placement in jobs, graduate, and professional schools.
- GOAL 6 Increase the six-year graduation rate.

### *Strategic Initiative 3: Transform the Curriculum and Research Programs*

- GOAL 1 Realign academic programs to workforce demands and include experiential learning.

The effectiveness of the University's academic curricula, teaching, and services will have the following outcomes:

- Increase in the graduation rate;
- Increase in the retention rate for first-time, full-time freshmen;
- Increase in the overall retention rate;
- Satisfactory pass rates on qualifying exams; and
- Increase in the number of students engaged in experiential learning and research.
