

Graduation Information–December 2022

Congratulations

Dear students, congratulations on meeting this milestone of applying for graduation. Once your academic, financial, and other records are reviewed and approved, you will be confirmed as graduates during the December 2022 Commencement Convocation. You have worked hard and deserve this recognition for your academic success at South Carolina State University. We are proud of your accomplishments!

Masks

Masks will be encouraged for all attendees and participants.

All Students

Students will not be eligible to participate in a Commencement Ceremony unless all degree requirements have been completed. In addition, students will not be allowed to participate in Commencement if they have not submitted their graduation application forms to the Registrar's Office by the deadline (Friday, August 26, 2022) listed on the University Calendar. Students who miss this deadline must apply for the next Commencement Ceremony.

Graduation Attire

Female graduates are asked to wear black dresses and male graduates are asked to wear black slacks and white shirts with a dark tie underneath their caps and gowns. Special Note: Only University Official caps, gowns, hoods, and other academic regalia accessories purchased through the University Bookstore are permitted at the Commencement Ceremony.

Applications for Degrees

Applying for graduation is a university requirement for all undergraduates and graduate prospective students. The application must be filed in the term prior to the expected degree completion term. The date of graduation will be recorded for the term of completion.

Failure to clear for graduation will require the degree candidate to reapply for graduation and payment of another graduation fee for the next subsequent Commencement.

All applications for degrees must be submitted to the Registrar's Office no later than the date set forth in the University Academic Calendar. That deadline for December 2022 Commencement was Friday, August 26, 2022. Applications are now being accepted for the May 2023 graduation.

It is the responsibility of the student to do the following:

1. Complete their academic programs, based upon the requirements stated in the University Catalog.
2. Conduct a Curriculum, Advising, and Program Planning (**CAPP**) degree audit in **Bulldog Connection** to track degree requirements. Please click **CAPP** or **CAPP PowerPoint for Students** to review steps on how to perform your degree audit in **Bulldog Connection**.
3. Schedule an appointment with your advisor to review all degree requirements. The advisor is available to counsel, but the responsibility to ensure all degree completion remains with the student.
4. Complete an **undergraduate** or **graduate** application for graduation with your department.
5. Pay the graduation fee in the Cashier's Office or online.
6. Submit your graduation application with proof of payment to the Registrar's Office on or before the Graduation Fee Payment Deadline.

NOTE: An Application for Graduation is complete only after it has been submitted to the Registrar's Office, Second Floor, Moss Hall, Room 203 or emailed to Registrar@scsu.edu.

Attendance at the Ceremony is required of all candidates for degrees unless you have extenuating circumstances that will prevent you from participating in the ceremony.
